Numb. 9284.

The London Gazette.

Published by Authority.

From Tuesday July 10, to Saturday July 14, 1753.

Moscow, June 12.

THE Reports that have been ſpread for ſome Time, that a conſiderable Body of the Troops of this Empire would be encamped this Summer, are verified; and accordingly ſeveral Regiments of Foot, Horſe and Dragoons, are already in full March towards the Frontiers of Livonia, where they are to form a Camp conſiſting of 60,000 Men.

Naples, June 14. A Gang of Counterfeiters of Spaniſh Piſtoles, and Species called Ounces of Sicily, having lately been diſcovered, were ſeized at Gaeta, and ſent here Priſoners. The 30th paſt being the King of Spain's Name Day, and alſo that of the third Prince Royal, the ſame was celebrated at Portici with the uſual Solemnity. Notwithſtanding the Precaution taken by this Government of ſending many armed Veſſels to Sea, to cruize againſt the Barbary Pyrates, yet the Commerce of the King's Trading Subjects ſuffers much by the frequent Captures they make of their Veſſels. On the 9th Inſtant M. Urſino, an Advocate of great Merit and Credit, took Poſſeſſion of the Poſt of Preſident of the Chamber of the Summaria, lately conferred on him by the King. Their Majeſties and the Royal Family continue at Portici in perfect Health.

Rome, June 16. The Port of Fiumicino being extremely dangerous, the Pope has ordered the Plan of Pere Sambini to be examined, whether it can effectually render that Harbour more ſafe and commodious, in order to come to a final Determination about it. They are actually repairing Porto d'Anzio, under the Inſpection of the Chevalier Michetti, Architect of the Eccleſiaſtical Chamber, agreable to the Plan of M. Marechal, a French Ingineer. A few Days ago the Corpſe of the late Prince Corſini was landed at the Tyber from Naples, and was interred in the Vault of the Corſini Family, in the Baſilick of St. John de Lateran. On the 11th the Prince of Ardore, the late Neapolitan Ambaſſador to the French Court, and his Family, arrived in this City from Paris, on his Return to Naples. The Duke of Modena having lately conſented to the Diſpoſal of the famous Statues at the Villa Eſte at Tivoli, four of the moſt valuable ones were purchaſed by the Pope, and the reſt by the King of Naples, to be placed in his Palace at Caſerta.

Florence, June 22. Yeſterday being the Feſtival of Corpus Domini, the two Members of the Regency, accompanied by the Senate, Magiſtrates, and the Knights of the Order of St. Stephen, attended the Proceſſion as uſual, in which the ſaid Knights, both Secular and Eccleſiaſticks, appeared in their long Habits of the Order, lately preſcribed by the Emperor to be worn in publick Functions. As the Barbary Corſairs, during this Seaſon, greatly infeſt theſe Seas, and frequently purſue Veſſels to the Coaſts of this State, Orders are come from Vienna to fit out one of the Emperor's Ships of War to cruize about, in order to prevent any Irregularities of that Kind, and to give Protection, indifferently, to any Veſſel that may demand it, by putting itſelf immediately under the Cannon thereof, which is the moſt the Commander of that Ship of War can do, without offending the Regencies of Barbary, or acting contrary to the Treaties ſubſiſting between the Great Duke of Tuſcany and thoſe States. The French Conſul at Leghorn has notified to the French Merchants and Maſters of Ships, the Orders of his Court relating to Corſica, which are agreable to thoſe which the King of Great Britain has been pleaſed to give by an Order in Council dated the 10th of May laſt, not to give Aid or Aſſiſtance, by any Ways or Means whatever, to the Inhabitants of Corſica in Rebellion againſt the Republick of Genoa. We hear that the General Pardon which the ſaid Republick has promiſed to ſuch of the Rebels, who, within a certain Time, ſhould ſubmit, has not yet produced any Effect.

Hambourg, July 6. The young Princes Corſini, who are on their Travels, and paſſed through this Place ſome Weeks ago for Copenhagen, are returned hither from that Court, and propoſe being in England about the Month of September next.

Whitehall, July 14.

The King has been pleaſed to nominate, conſtitute and appoint the Right Honourable John Earl of Aſhburnham, to be Keeper of His Majeſty's Park, called Hyde-Park, in the Room of the Right Honourable Thomas Earl of Pomfret, deceaſed.

General

General Post-Office, July 6, 1753.

These are to give Notice, That the Post will go every Night, (Sundays excepted) from London to Tunbridge Wells, and from Tunbridge Wells to London, to begin this Night and to continue, during the Summer Season, as usual.

By Command of the Post-master General,
Geo. Shelvocke, *Secretary.*

South-Sea-House, London, July 12, 1753.

The Court of Directors of the South-Sea Company give Notice, That a General Court of the said Company will be held at this House on Thursday the 26th Instant, at Eleven in the Forenoon, in order to the declaring a Dividend on the Capital Stock of the said Company, for the Half Year ending the 5th of this Month, being Old Midsummer Day.

London, July 12, 1753.

Notice is hereby given, that pursuant to a Resolution of the General Court of the Corporation called the Governor and Company for working of Mines, Minerals and Metals, in that Part of Great Britain called Scotland, a Dividend of One Pound per Cent. on the joint Stock of the said Company, will begin to be paid, at the Sun Fire-Office behind the Royal Exchange, on Thursday the 2d of August next ensuing, and so continue every Thursday thereafter, till the whole is paid: And that the Transfer Books of the said Company, which are now shut, will be opened again on Thursday the said second Day of August.

July 7, 1753.

Notice is hereby given, that a General Meeting of the Trustees for the River LEE will be held by Adjournment at the Bull Inn at Hoddesdon in Hertfordshire, on Tuesday the Thirty-first Day of this Instant July, at Ten in the Morning: And that the General Yearly Meeting of the said Trustees will be held at the Old Crown at Ware in Hertfordshire, on Monday the Sixth Day of August next, at Ten in the Morning.

Bos. Toller, *Clerk to the Trustees.*

Advertisements.

DR. *JAMES*'s Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY's ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Esdall, Printer, on the Blind Quay, Dublin.

Also a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned. Price 6 d.

NOTICE is hereby given, that the Partnership between Richard Oliver and William Green, of Bayswater in the County of Middlesex, Brewers, was this 3d Day of July 1753, absolutely dissolved and determined: And all Persons indebted to the said Partnership, are to pay their respective Debts to the said Richard Oliver. And all Persons having any Demand on the said Partnership, are desired to apply to the said Richard Oliver for Payment thereof.

Richard Oliver.
Wm. Green.

N. B. Mr. Oliver carries on the Trade of a Brewer at Bayswater, and Mr. Green carries on the Trade of a Brewer at Kensington Gravel Pits.

This Day is Published,
In One Volume in *FOLIO*,
(Dedicated to the Rt. Hon. the Earl of *Macclesfield*)
